---

### CCE 2341 Woodworking & Furniture Design

CRN: 43977

Location: Flagg B-200

Times: Tuesdays, 6:30pm - 9:45pm

Duration: 1/15/19 - 4/23/19

This course explores the fundamentals of both traditional and contemporary design. From chairs to tables to a variety of cabinetry, students will have the ability to construct a work of their own design. Students will work with the instructor on the design and building of a piece of furniture. Instruction in the usage and techniques of both machine and hand tools are covered in conjunction with the execution of the finished piece. Beginning with sketches, students will explore design and materials, fabricate models, and generate construction drawings, with a goal of fabricating and completing their own project.

### CCE 3635 Adv. Woodworking & Furniture Design

CRN: 43979

Location: Flagg B-200

Times: Mondays, 6:30pm - 9:45pm

Duration: 1/14/19 - 4/29/19

This course explores the fundamentals of both traditional and contemporary design. Students will work with the instructor on the design and building of a piece of furniture. Instruction in the usage and techniques of both machine and hand tools are covered in conjunction with the execution of the finished piece. Beginning with sketches, students will explore design and materials, fabricate models, and generate construction drawings, with a goal of fabricating and completing their own project. This course is designed for students with experience in woodworking and furniture design.

### CCE 2301 Special Topics: Monoprints

CRN: 48117

Location: Flagg B-109

Times: Saturdays 10:00am - 12:30pm

Duration: 1/19/19 - 2/23/19

Monoprint is ideal for those artists who love drawing, painting, and print. We will use a combination of these techniques with rollers, and brushes to create images. Students can expect to learn how to properly mix, modify, and apply ink, and print on the press. We will use everyday and found materials to create textures within our prints. The focus of this class is on process and experimentation, students should expect to leave with many experimental prints and two small editions.

### CCE 1370 Book Arts Basics Workshop

CRN: 47072

Location: Flagg B-108

Times: Tuesdays, 6:00pm - 8:30pm

Duration: 1/15/19 - 2/19/19

In this course we will explore sewn book structures and simple case. Students will build a foundation of book binding skills to create three book structures and slip case. This course is great for first time binders or students looking for a refresher course. Students can expect to leave with three sewn structures and a slipcase.

### CCE 3220 Advanced Abstract Painting Studio A

CRN: 43971

Location: Flagg B-135

Times: Mondays, 1:00pm - 4:15pm

Duration: 1/14/19 - 4/29/19

Both individual and group critiques will be provided, with emphasis on the development of personal attitudes and approaches to painting. Out-of-class work will be mandatory and will be critiqued in relation to in-class work. This course is designed for advanced students.

### CCE 3220 Advanced Abstract Painting Studio B

CRN: 44481

Location: Flagg B-135

Times: Tuesdays, 1:00pm - 4:15pm

Duration: 1/15/19 - 4/23/19

Both individual and group critiques will be provided, with emphasis on the development of personal attitudes and approaches to painting. Out-of-class work will be mandatory and will be critiqued in relation to in-class work. This course is designed for advanced students.

---

## CCE 2120 Intermediate Painting

CRN: 44800

Location: Flagg B-135

Times: Tuesdays, 6:30pm to 9:45pm

Duration: 1/15/19 - 4/23/19

This course reviews the fundamentals of painting and focus on individual development of style, technique, and direction. With the instructor's guidance, students explore their personal visions and examine the historical and contemporary context of individual work. Class critiques and discussions help students gain a better understanding of the painting process and increase their ability to express visual concepts.

## CCE 2135 Still Life Oil Paint Techniques

CRN: 44592

Location: Flagg B-135

Times: Saturdays, 1:30pm - 4:45pm

Duration: 1/19/19 - 4/27/19

Students become acquainted with the painting techniques of early seventeenth-century Europe. Starting with a tonal underpainting, students use transparent glazes to build form, color, luminosity, and drama. The paintings of Caravaggio, Georges de La Tour, Claude Lorraine, and Vermeer are used as guides as students become familiar with the terms chiaroscuro, tenebrism, and sfumato. Subject matter includes still life and landscape. Appropriate for both beginner and intermediate students.

---

## CCE 1791 Basic Digital Photography II

CRN: 48112

Location: Flagg B-100C

Times: Saturdays, 1:00pm - 4:00pm

Duration: 1/19/19 - 3/02/19

This short, non-credit course is designed for students with moderate digital camera experience and/or who have who have completed CCE 1789. The goal is to further develop photographic skills, both technically and artistically. After a refresher on working with manual camera settings (such as aperture, shutter speed and ISO) there will be assignments designed to take skills further, both technically and creatively. Assignments will be reviewed on technical and aesthetic criteria.

---

## CCE 2253 Intermediate Wheel Throwing

CRN:

Location: Flagg B-110

Times: Sundays, 12:00pm to 2:30pm

Duration: 1/20/19 - 4/28/19

While being assisted in their efforts to enhance their throwing skills, students are encouraged to explore a wide range of decorative techniques, both in the forms they produce and texturing and color treatments applied to those forms. Methods useful in the throwing of large forms are also explored, as are possibilities of combining thrown shapes to create larger vessel or sculptural forms. Students should enter with basic pottery and ceramics skills.
